RFS&I has been associated with
Red Feather Lakes and the
surrounding area since 1948.

The mission of RFS&I is to protect,
maintain, and develop water resources
for the beneficial use, recreation, domestic
purposes, and aesthetic enhancements for
the people of Red Feather Lakes.

RFS&I provides its members
fishing privileges on 8 private lakes
and boating on 5 of the lakes.
The map identifies the lakes available
for use by members and guests.

Various membership options are available.
Contact RFS&I to determine which option
best fits you and your family.
